# CAMPARI GROUP'S HISTORY

Campari was founded in 1860 - the year Gaspare Campari invented the bright red bittersweet aperitif in downtown Milan.

From 1888 onwards, his successor and son, **Davide Campari**, developed and implemented an extensive campaign to grow the brand globally, featuring a winning marketing strategy; the creation of the first single-serve aperitif, Campari Soda, in 1932; and a patronage of the arts to enhance product promotion.

In the 1960s, Campari Group's distribution power already reached over 80 countries. In the **second half of the 1990s**, the beverage industry was characterized by a strong **M&A** trend which led to the creation of corporations with global dimensions and remarkable portfolios appealing to a broad consumer dynamic.

Therefore, Campari chose to expand not only via organic growth but also via external growth, turning from a single-brand company as late as 1995 to a multinational company with a solid and expansive portfolio with international appeal today.

# CAMPARI GROUP TODAY
